## P R O F I L E

I am a highly competent IT professional with a proven track record in designing front-end websites using React library, mobile application development using Java and React Native and managing databases. I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion in life is using my technical know-how to benefit other people and organisations.
